## **Colas USA Acquires Seaboard Construction Company**

**Colas USA has acquired Seaboard Construction Company, which will become part of the Coastal Region of Reeves Construction Company.**

**Morristown, NJ:** Colas USA, a leader in road construction, materials, and innovation has announced the acquisition of the assets of Seaboard Construction Company, a division of Plant Improvement Company, Inc. located in Brunswick, Georgia.

Seaboard has an outstanding reputation throughout Southeast Georgia thanks to its proven quality and reliability. It will become a part of Reeves Construction Company, a Colas Company.

*"Reeves was chosen because of their shared values of safety, quality, and customer service. We are confident that they understand and value the talented team at Seaboard and provide a continued opportunity for success, said Steve Shepherd, Vice President of Plant Improvement Company, Inc."*

**By joining Reeves, Seaboard has become a part of the international Colas Group, with operations in 55 countries throughout the world.**

*"This is an exciting partnership for Reeves and Colas USA. The Seaboard acquisition aligns with our strategy to strengthen our operations in order to better serve our customers. Reeves, along with the talented people from Seaboard, will continue to serve the Georgia market as it has since 1955, said John Harrington, President & CEO of Colas USA."*

### **About Colas USA ([www.colasusa.com](http://www.colasusa.com))**

Colas USA is part of the Colas Group, the worldwide leader in transportation infrastructure construction and maintenance. The Colas Group is active in the construction and maintenance of road, air, rail and maritime transport infrastructure, urban development projects, and recreational facilities.
